## Air Strike

**FLIEGERHORST** — Capt Russell C. Potter (left), and Capt Drexel E. Sanders, of Co B, 503d Avn Bn, have returned from the Carolinas where they took part in Swift Strike III.

The two pilots were chosen by the Department of the Army to demonstrate to the CONARC Forces the effectiveness of the OV-10B Mohawk under battlefield conditions.

Capt Potter and Capt Sanders were attached to the 101st Avn Bn for the duration of the exercise. The 101st was one of the two Avn Bns that had a combat surveillance and target acquisition platoon organized for Swift Strike III. —Photo and story by Pvt Machacek
